## ITE DISTRICT 6 IS LAUNCHING A NEW MENTORING PROGRAM FOR PROFESSIONALS

Explore

ITE District 6 is launching a new Professional Mentoring Program to District 6 members. The Mentoring Program is an informal, one-on-one program dedicating to building long-term relationships.

Experience

Every ITE member is encouraged to take advantage of the mentor program to further their personal growth and career development.

Engage

**One-on-One Mentoring is a partnership between two individuals, both sharing full responsibility for communication, growth, feedback, and providing follow-through.**

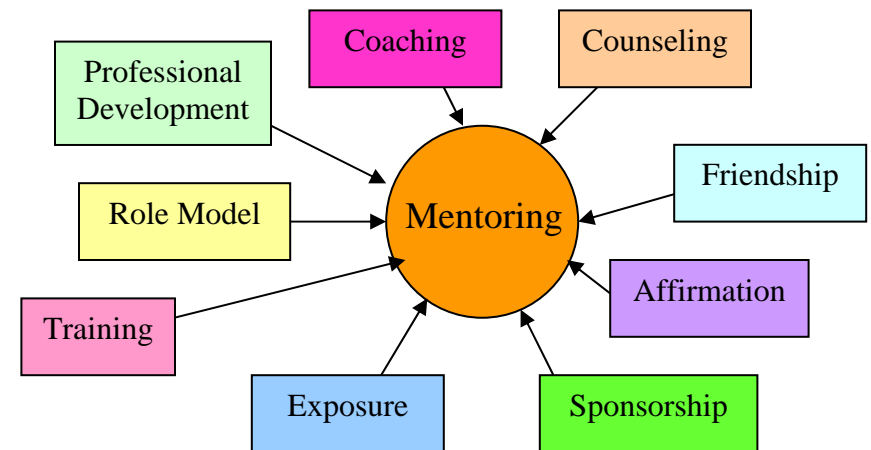

Exposure

The mentee is a developing junior professional, and chooses a mentor from which to learn and receive guidance.

A mentor is a senior professional who has experience in the area that the mentee is interested in developing and is willing to steward the growth of the mentee.

*The value ITE contributes to the community depends on the talent and motivation of our members. The Mentoring program plans to match the learning and development goals of the mentee with the mentor's experience and ITE's professional development objectives.*
